

Free Screening Mammograms for women in our community.

Sunday, October 19 & November 16

UTMB Health and The Ruth Kempner Endowment for Breast Cancer Screening are partnering to provide free screening mammograms for uninsured women in our community. The Susan G. Komen foundation has stated that a significant number of uninsured women in Galveston County are not receiving their annual screening mammograms. In an effort to reach these uninsured women, UTMB Health is bringing the mobile mammography van to churches in Galveston County. **Uninsured program participants DO NOT need to be members of these church congregations in order to receive a free screening mammogram. However, participants will need to PRE-REGISTER for the program and meet the following eligibility criteria:**

- Legal resident of Galveston County
- Between 40-64 years old
- Uninsured
- Participants cannot have mammogram coverage through Medicaid and/or Medicare
- Not pregnant
- Have not received a mammogram in the past 12 months
- No personal history of breast cancer in the past 5 years
- No current breast pain, breast discharge, or palpable breast abnormalities
- Must complete and sign the application and consent forms

Dates & Locations:

Sunday, October 19, 2014

8 a.m. to 2 p.m.

New Direction Missionary Baptist Church
4401 Hwy. FM 517
Dickinson, Texas 77539
(281) 534-7333

Sunday, November 16, 2014

8 a.m. to 2 p.m.

St. Augustine Episcopal Church
1410 41st St.
Galveston, TX 77550
(409) 763-4254

The mobile van will only provide free screening mammograms for pre-registered, uninsured women. To enroll, pick up a registration packet from any of the church offices or the UTMB Galveston Breast Imaging Department (2nd floor of the University Hospital Clinic Building) or the UTMB Specialty Care Center at Victory Lakes, League City (2nd floor), and return these items to any of these locations no later than October 13 (Dickinson) & November 10 (Galveston).

See utmbhealth.com/sundayscreening for details.

UTMB is fighting for a breast cancer cure as a **TEAM**.

Working together to **Tell Everyone About Mammograms**, fight breast cancer and work wonders.
